

## Over 140 years of Giving

Navigating and overcoming the obstacles in providing our services, whilst working together to provide a solution to individual's needs, are increasingly challenging and expensive.

### GIVING

*Helping us to continue to keep the flame alive*

## LJWB continues to do what it does best... caring for the Community

### *Please support us this New Year*

Since the pandemic we have supported hundreds more people in our Community and we are still receiving new referrals for support almost every single working day.

To keep doing what we are doing, helping to support **20%** of the Leeds Jewish Community at any one time, we need your help and support.

1 in 5 people are being supported by us. You will know somebody who is receiving help from Leeds Jewish Welfare Board.

Can you help us to help them?

*If not you, then who?*

### THE TRADITION CONTINUES

New Year Appeal 2021 / 5782

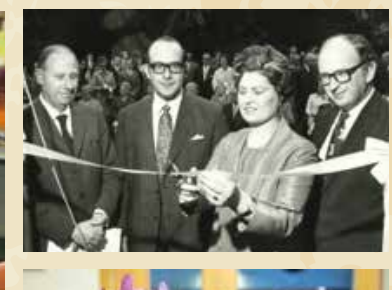

## Leeds Jewish Welfare Board New Year Newsletter

### *"Tradition... is to keep the flame alive"*

For over 140 years, despite the challenges thrown at us, Leeds Jewish Welfare Board (LJWB) has been helping our Jewish Community to find support and care whenever they need it. In the past year alone we have seen a huge increase, not just in the numbers of people we help but also the type of help needed and the complexity of the need.

People come to us for so many reasons, perhaps they are not eligible for statutory services, other services aren't culturally aware, or they get passed between agencies who only specialise in one area such as benefit advice or they are unable to get support elsewhere. They may not trust other agencies, or the waiting lists for services are so long that they would be in even more crisis if they had to wait for help. LJWB is the trusted service they automatically turn to when they need help.

**SUPPORTING YOU, YOUR FAMILY, YOUR FRIENDS, YOUR COMMUNITY**

As the world continues to change, Leeds Jewish Welfare Board remains a constant source of help and support. Would our ancestors and early pioneers of today's Jewish Community in Leeds have ever imagined that the organisation would continue to exist in 2021 or have believed that it would still be needed?

The harsh reality of today's society is that we are needed now more than ever. Handouts to the needy given by our predecessor have been replaced with hand ups in the form of a range of services and support to meet the complex challenges faced by so many in our Community.

We run all of our services in partnership with you, our Community, to 'Positively Change Lives'.
